

Annual Pension Statements

If you were an active member of the Plan at the end of 2021, your Annual Pension Statement is now available on the My InSite member portal. We encourage you to setup your account on the My InSite portal if you have not already done so. Refer to page 4 of the April 2022 newsletter to learn what you can do on the portal and how to set up your account. For members who have not provided their current email address to InBenefits, your Annual Statement will be delivered by regular mail.

If you have any questions related to your Annual Statement or need help to set up your account on the portal, please contact InBenefits at 905-889-6200 or toll-free at 1-800-287-4816.

Starting next year, all Annual Pension Statements will be distributed using the My InSite portal. They will not be mailed to you unless you request otherwise. You should contact InBenefits to make sure that your email address in the system is current.

Please be sure to advise InBenefits of your new mailing address if you have moved recently.
